FOREVER HOME:

ARF's Renewed Vision For Life-Saving & Adoption Breaks Ground

Forever Home will bring critical improvements at ARF's campus and ensure ARF can continue to lead by example by providing exceptional adoption, rescue, and compassionate care for our animals for generations to come. The ARF campus will be transformed to include the Richard Wells

McCabe Welcome Center; a newly constructed, state-of-the-art 40-kennel building; and the new 8,400 square foot year-round William P. Rayner Training Center.

Won't You Be A Kitten Foster Too?

Each year ARF's Operation Cat program saves hundreds of kittens born without a home, spaying and neutering unowned community cats at no charge. Kitten season is upon us and ARF is hard at work caring for dozens of orphaned kittens. We are also seeking foster families to care for these adorable creatures until they can find a forever home.

If you find kittens, call us, we can rescue the family and keep them together. 631-537-0400, ext. 202.

Bow Wow Meow Ball Pays Tribute To Patsy Topping.

This year's Bow Wow Meow Ball featured a tribute to Patsy Topping, who has helped rescue thousands of dogs, and a screening of a moving short film titled *Overlooked*, the story of Todd & Mogli, a cat and dog who each finally found their forever home. Save the Date for next year's Bow Wow Meow Ball: **July 23, 2022.**

Stroll To The Sea Dog Walk

It was our biggest and best yet! A record number of people turned out on Saturday, October 9, for ARF's annual Stroll to the Sea Dog Walk. Close to 600 participants gathered at Mulford Farm in East Hampton to walk to the ocean and back in support of the cats and dogs at ARF.
